Dress Up Day

Friday 28th October we will have a festive dress up day! Children can dress their favourite character from TV, wear a homemade costume or wear special clothing for the day. Although this day coincides with Hallowe'en this is not our theme. We hope to have another dress up day later on in the year also! **We ask that any props for the costume swords, wands etc be left at home!**

Garda Vetting

There have been changes to Garda Vetting, you can call to Jennifer in the office and she will explain what's new. There will be school trips in the near future so it would be lovely to have Garda vetted parents to accompany us.

Slán Jarlath!

Jarlath Munnely our current school manager is moving on to pastures new! We wish Jarlath every success in his new job and sincerely thank him for all his hard work getting our school open! He will no longer work for Educate Together but he will help and support us in the future in any way he can!

Ethical Education Themes

- September**
Golden Rules and Promoting Equality
- October**
Harvest Festival and Rosh Hashanah
- November**
Golden Rules and Diwali
- December**
Recycling and Winter Festivals

Dates for your diary

- School Closed**
31st October - 4th November
- Parent Teacher Meetings**
14th - 18th November

Board of Management (BOM) Update

As we are a one teacher school we will have a 4 person Board. In the coming weeks Yvonne Coyne will commence her role as Chairperson, Noel Campbell as community nominee and Nichole Morris as parental nominee. The chain of communication if you have an issue or query about our school is Class Teacher, Principal and then BOM. The Board will keep us updated regarding accommodation for next year.

Library

As you know we love the library! Please complete the attached form and the children will become members. If you are a member already please speak to me. We hope to borrow books once a fortnight.
